

*Asian Program for Regional Capacity Enhancement for  
Landslide Impact Mitigation (RECLAIM)*

**2<sup>nd</sup> Regional Meeting for Discussion and Promotion of Early Warning  
Mechanisms for Landslides in Asian Region (RECLAIM- III)**

1- 3 December 2010, Dhaka, Bangladesh

**Tentative Agenda**

<b>Wednesday, 1<sup>st</sup> December - Day 1</b>	
8.30 - 9.00	Registration of participants
9.00- 10.10	Inaugural session
10.10-10.30	<i>Coffee/tea break</i>
10.30-11.00	Introduction of participants
11.00-11.15	RECLAIM program – Introduction by Mr. N.M.S.I. Arambepola, ADPC
11.15-12.30	Expectations and challenges in developing effective EWS for landslides by Dr.Senaka Basnayake, ADPC
12.30-13.30	<i>Lunch</i>
13.30-14.30	Presentation of Draft Report on the Good Practices of Landslide Early Warning by Dr. Elmer Billedo, Dept.of Environment and Natural Resource, Philippines
14.30-15.30	Review of the report by participants (Discussion on how to improve the available output and develop work plan for completing the report)
15.30-16.00	<i>Coffee/tea break</i>
16.00-17.00	Introduction to landslide ES initiatives in Switzerland and other countries In Europe by Dr. Kos Andrew, Swiss Federal Institute of Technology (ETH)
	<i>Free time</i>
<b>Thursday, 2<sup>nd</sup> December – Day 2</b>	
9.00-9.10	Review of the 1 <sup>st</sup> day proceedings
9.10-10.00	Facilitated group discussion on Challenges and Difficulties in Landslide EW and Preparedness in Partner Countries
10.00-10.15	<i>Coffee/tea break</i>
10.15-11.00	Draft Report on Landslide Hazard Prediction and Warning using Precipitation Threshold Values by Dr. Udeni Nawagamuwa, Sri Lanka
11.00-12.30	Review of the report by participants (Discussion on how to improve the available outputs and develop work plan for completing the report)
12.30-13.30	<i>Lunch</i>

13.30-15.30	Facilitated group discussion on challenges and difficulties in setting up landslide EWS using rainfall threshold limits in partner countries (each country will have 10 minutes for presentation followed by a review on commonalities and meeting challenges)
15.30-16.00	<i>Coffee/tea break</i>
16.00-17.00	Introduction to tropical rainfall monitoring mission by NASA for prediction of rainfall induced landslides and challenges related to thresholds for rainfall induced landslides by Dr. Rajinder Bhasin, NGI
	<i>Free time</i>
<b>Friday, 3<sup>rd</sup> December - Day 3</b>	
9.00-9.15	Review of the 1 <sup>st</sup> day proceedings
9.15-10.15	Challenges in mitigation of landslides in selected hot spot areas around the globe by Dr. Oddvar Kjekstad, NGI
10.15-10.30	<i>Coffee/tea break</i>
10.30-11.30	Introduction to instrumentation and monitoring of landslides by Lloyd Tunbridge, NGI
11.30-12.00	Presentation on community level landslide early warning initiated by Amrita Vishwa Vidyapeetham by Ms.Maneesha V. Ramesh, Head – Indo-US & International Initiatives- Amrita University, India
12.00-12.30	Experience of the China Geological Survey in monitoring and setting up effective early warning systems for landslides and rock falls by Dr. Li Xiaochuan, China
12.30-13.30	<i>Lunch</i>
13.30	Depart for Field Visit
19.30	Dinner
<b>Saturday, 4<sup>th</sup> December –</b> Departure of participants
