24 May 2006

Dear Dr. Suvit Yodmani
Executive Director, ADPC

Dear Dr. Suvit Yodmani,

On the occasion of the 20th anniversary of ADPC, I hope to renew my highest appreciation of your cooperation during the past two decades and express my warm congratulations on your 20th anniversary.

We are very glad to recognize that ADPC has played a very important role in reducing disaster risks as well as in promoting regional/international cooperation in this field. I sincerely hope such a role can be further enhanced.

My colleagues have surely enjoyed the satisfactory cooperation with ADPC and our friendship. I am confident that such cooperation will surely be consolidated and improved. I wish ADPC very success at the new stage and look forward to our closer cooperation between NDRCC in the Ministry of Civil Affairs with ADPC in the field on disaster reduction.

With best regards,

Wang Zhenyao
