

Emergency Medicine: The Tsunami Experience

The Asian Disaster Preparedness Center in collaboration with the Thai Red Cross Society, Thammasat University and Nopparat Ratchathani Hospital organized the **Emergency Medicine: The Tsunami Experience** lecture by **Dr. Prasert Vasinanukorn, MD**, Songklanakarind Hospital, on 30 March 2006 at the Thai Red Cross Society, Bangkok.

Dr. Prasert Vasinanukorn discussed emergency medicine in disaster planning, the trimodal distribution of medical problems in large scale disaster and the role of doctors and nurses among other concerns.

Token of appreciation from Mr. Jonathan Abrahams, Team Leader,
Public Health in Emergencies, ADPC

Dr. Prasert, Mr. Jonathan and members of
the Organizing Committee
